

DREAMERS released on September 1st for PlayStation 4 and PlayStation 5, Xbox One and Xbox Series X|S

Milan, Italy - 1 September 2023

PlaySys is happy to announce that after three years of development, DREAMERS videogame is released today for PlayStation 4 and PlayStation 5, Xbox One and Xbox Series X|S.

DREAMERS takes players on a nostalgic adventure, following the three protagonists on their journey through a vast open-map world. Prepare to explore breathtaking landscapes, solve intricate puzzles, uncover secondary stories, and unveil mysterious secrets. Engage in meaningful conversations with numerous NPCs, take to the skies with upgradable drones, and immerse yourself in irresistible mini-games that will put your skills to the test.

The adventure starts today on your favourite console!
